CITYWIDE PARKING BAN TONIGHT: WHERE TO PARK

The City of Portland has declared a snow emergency parking ban beginning tonight, November 20th at 10pm and lasting through tomorrow morning at 6am.

The city offers numerous free options for parking on the peninsula during a snow ban. These lots are available after 5:00 PM on weekdays on the day a ban is called unless otherwise posted. School lots

and unrestricted parking areas can be accessed earlier on weekends. All vehicle owners must remove their vehicles from the designated off street parking areas listed below by 7 a.m. the morning the ban is removed.

EXCEPTIONS being by 6:30 AM for school lots and by 8:00AM for the Promenades, State St Ext., and Marginal Way the morning the ban is removed. The city may tow, at the

owner's expense, any vehicle which has not been removed by the designated deadlines listed above:

- Deering Oaks - on the Tennis Court Road only - only on the left side of the road. No parking on the right side.
- Fitzpatrick Stadium parking lot - this is the lot behind the Ice Arena. Do not park adjacent to the Ice Arena.
- Hadlock Field parking lot
- All Portland Public School parking lots except the Reiche School lot which abuts the school and basketball court. *Must be out of all school lots by 6:30 AM.*
- **Cutter St. lots (off the Eastern Prom) -- except the middle parking lot as that will be maintained for safer sledding this year by Parks, Rec, and Facilities. The lower and upper Cutter Street lots remain available for general parking and snow ban parking.**
- City lot at the corner of Park and Commercial streets across the street from the IMT (International Marine Terminal) AKA Angelo's Acre 441 Commercial St.
- Preble Street Extension Parking Lot (Across from Hannaford) - adhere to the spaces that are designated for snow ban parking.
- **On Peaks Island, snow ban parking is available at the Welch St. parking lot**
- Western Prom - Entire waterside only
- **Eastern Prom - Turner to East End School property light pole 33 (waterside)**
- Marginal Way - Plowman to just before the entrance area to the east End Waste Water treatment Plant (waterside) Please do not park in the Maine DOT Park and Ride lot on Marginal Way.
- State Street Extension - Parking is available on State St Ext between Forest Ave & Park Ave across from the entrance to Deering Oaks Park. Left side of the road only where parking is typically available. Adhere to any no parking signs closest to Forest Ave.

PARKING AT ELM ST. & SPRING ST. GARAGES

The snow ban rate is \$3 in after 5 p.m. out by 8 a.m. Before 5 p.m. the hourly rate for parking is \$2.00. After 8 a.m. the hourly rate is \$2.00.

PUBLIC SAND & SALT PILE AT PAYSON PARK

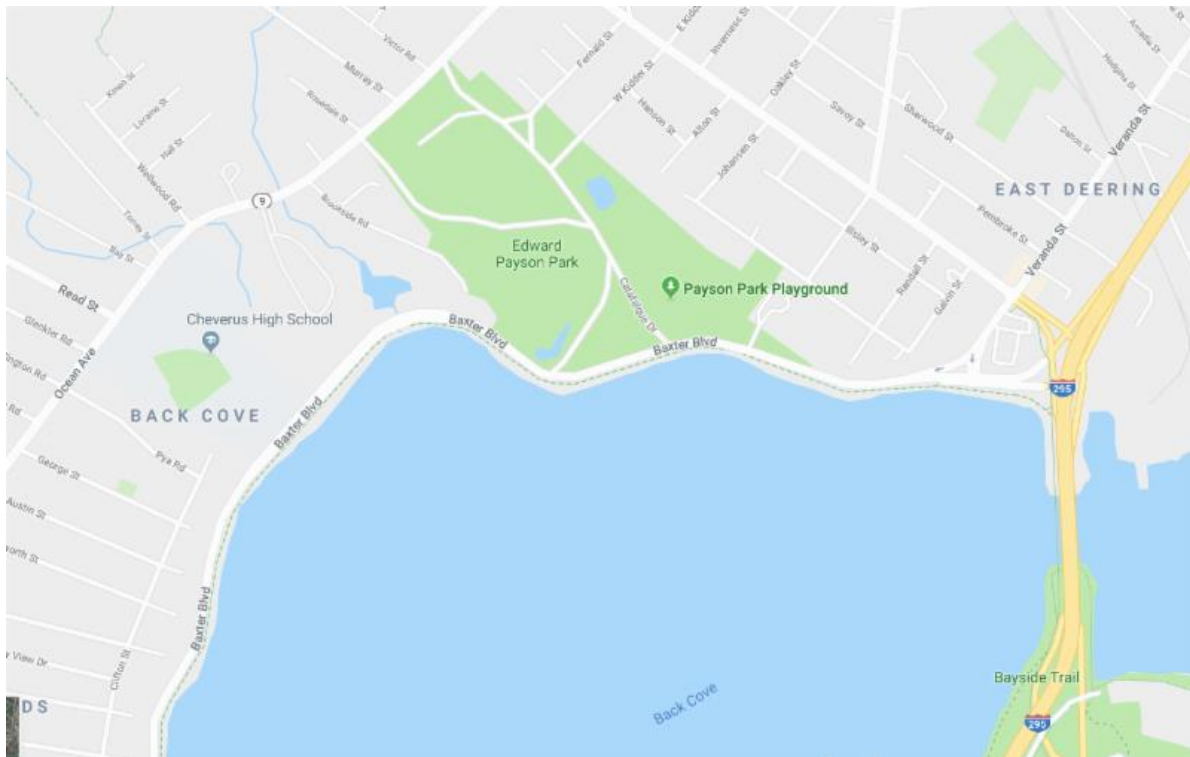

The City's residential sand and salt pile is now located at Payson Park next to the baseball field.

In recent years it has been located at Deering Oaks Park but the City informs us it will not be in that location this winter.

Payson Park is located near the corners of Baxter Blvd. and Catafalque Dr. (coming from the south) and Ocean Ave. and Catafalque Dr. (from the north).

This sand and salt pile is for residential use only, contractors are not allowed. Residents can take two 5-gallon pails at a time.
