## Hey, it's #GivingTuesday!

We hope you're staying warm and dry on this dreary Maine day!

You've likely heard all the hoopla about #GivingTuesday. It's a sort of thing born of the Internet's role in do-gooding.

It's in that spirit, as well as the lack of formal fundraising activities that we hope you'll consider visiting your Twitter account, or the Twitter account of your business or organization before 9pm today, and help with our need for funds as we go into the holiday season and long Maine winter.

Between now and 9:00pm, we're asking all of you to visit **BENEVITY** at [Twitter.com/Benevity](https://twitter.com/Benevity). Once there, please Retweet the **#BeTheGood** video posted there, (hint: It's pinned to their profile).

When you Retweet that message and enter the **#BeTheGood** hashtag along with our Twitter account name, **MunjoyHillMHNO** - Benevity has agreed to donate \$10 to our nonprofit on your behalf! That's a great thing for just a few seconds of your time!

We have little to zero operating expenses but we do a lot more than neighborhood advocacy. We never turn down anyone when they're desperate for help and we're able to give it. From heating assistance and snow shoveling for seniors during the winter months, to helping collect desperately needed winter clothing for Portland's school kids, we believe in giving back to our community.

So will you please help us in this effort? We'll be forever grateful and a few good Mainers will benefit from your kindness.

501(c)(3) not-for-profit*
