

MUNJOY HILL NEIGHBORHOOD ORGANIZATION
92 CONGRESS STREET
PORTLAND, MAINE 04101

November 11, 2019

Greetings MHNO Members,

Light snow is forecast for later today. Time to prepare for the coming winter!

We are looking for several dedicated volunteer shovelers to help Munjoy Hill seniors. The City-organized Senior Snow Shoveling program has been in place for several years. Last year 7 Munjoy Hill seniors were paired with 5 volunteer shovelers.

Unfortunately, a couple of those volunteers have moved away since last winter. **We need new volunteers to replace them. Can you help these seniors maintain their independence?**

The City identifies qualified seniors. In general these are individuals who need paths cleared so that Meals on Wheels, potential EMTs and other services can reach them.

Munjoy Hill's Coordinator matches these seniors with volunteer shovelers, and follows up to make sure things are running smoothly. Many thanks to Karen Snyder, who has volunteered to be the Coordinator for 2019-20.

If you or someone you know can help with this important work as a Senior Snow Shoveler, please contact the MHNO at info@munjoyhill.org. This is an important part of helping our neighbors stay in their homes so they can age in place in this remarkable community. Reliable volunteers of all ages welcome!

Sincerely,

Wayne Valzania
President, MHNO
