**As We Transition to 2024:  
Happy New Year from the MHNO!**

EcoMaine provides the following information about sustainable holiday tree disposal options: Trees left curbside in Portland during January (on your normal trash day) will be brought to Riverside Golf Course to be chipped, mulched and composted. During January, trees may also be recycled by depositing them in a Cutter Street parking lot (upper lot on the right, not sliding hill lot) in the Eastern Prom Park. Trees must be clear of all ornaments, lights, tinsel, etc.

Trees left curbside in Portland AFTER February 1st will not be recycled. They will be disposed of as trash at Ecomaine's Waste-To-Energy plant, and will not be chipped, mulched or composted.

Please recycle your tree during January, using one of these sustainable disposal options!

## Volunteers Needed for Senior Snow Shoveling

Will you volunteer to shovel the sidewalk for a Munjoy Hill senior? You will be paired with one senior for the season. It may give service providers safe access. There are already many long-time volunteers in this City-administered, neighborhood-facilitated program. But a few more volunteers are needed for this season. For more information, please contact Karen Snyder at [k.snyder@munjoyhill.org](mailto:k.snyder@munjoyhill.org).
