

Hello MHNO Members,

I recently received a note from mayoral candidate Kate Snyder, letting me know that she had recently been confused with our fellow MHNO member Karen Snyder. As we approach election day, the concern is that voters may confuse the interests and activities of the two because they share the same first initial and last name. Please make it a point to confirm whether you are receiving information from or about Kate Snyder, mayoral candidate or Karen Snyder, Munjoy Hill activist, as their social and political interests may or may not differ.

Sincerely,

Wayne
